Objectives of the Postdoctoral fellowship program:

- Participate fully in the research program of the subprogramme within our research unit.
- Collaborate with other researchers working in the team, thereby stimulating new and original ideas within the team.
- (Co)Supervise students working in the research field, in collaboration with an experienced Supervisor.

Eligibility:

- ❖ A doctoral degree, obtained within 5 years before the appointment as a postdoctoral fellow, is mandatory.
- ❖ The candidate must have the intention to pursue a full-time academic career at a university.
- ❖ The maximum age is 45.

Duration of the fellowship:

The fellowship is available for an initial period of 1 year. Renewal may be considered for up to 3 years contingent upon available funding; satisfactory performance, as agreed with the fellowship mentor/ supervisor; and productive integration into the subprogramme.

Value of the fellowship:

R192,000.00/ annum (non-taxable)

R20,000.00/ annum will be made available for research related running costs

R20,000.00 once-off relocation allowance
